Object of the data protection

The object of the data protection is personal data. According to Art. 4 no. 1 GDPR [German Federal Data Protection Act], this means any information relating to an identified or identifiable natural person (“data subject”). This includes information such as name, postal address, email address and telephone number and can in certain circumstances include usage data. Usage data relates to the data necessary to use our website, such as information concerning the start, end and scope of the use of our website and login data.

This Data Protection Notice applies to the careers portal and the applicant management system of ACS Motion Control (Europe) GmbH.

Duration of storage

After the application process has been processed, your data will be stored for 6 months in the event you are recruited and for 6 months in the event your application is rejected.

After this time period has expired, the data will be deleted or anonymized and made available for future statistical analyses.

Right to lodge a complaint with a supervisory authority

Without prejudice to any other administrative or judicial remedy, you shall have the right to lodge a complaint with a supervisory authority, in particular in the Member State of your residence, place of work or place of the alleged infringement if you consider that the processing of your personal data infringes the GDPR. The supervisory authority with which the complaint has been lodged shall inform the complainant on the progress and the outcome of the complaint including the possibility of a judicial remedy pursuant to Art. 78 GDPR.
